Dear Stripe

Thank you for this clarification as to the road ahead, in light of the silence from the Courts as linked here: <https://www.knowledgeassessmentanddissemination.com/post/j00me572-e35ym660-ca-2023-000750>.

I look forward to a comprehensive reassessment of our attempts to have our banking support restored through the appropriate channels which I presume includes the Financial Ombudsman Service overseeing the process; hence I am copying this communication to the FOS relating to Complaint PNX-5222561-R3M4 (Stripe Banking Services) .

There's an amazing abundance of rowanberries in the Cairngorms just now. These will provide food for blackbirds and other birds, including the winter thrushes when they start arriving in their thousands from the Nordic countries in the next few weeks.

Since the events relating to my trial for a Speeding charge of 10 November 2023 during which I was attempting to submit mitigating circumstances so that it would be duly considered for a Retrial as linked here: <https://www.knowledgeassessmentanddissemination.com/post/appeal-for-a-retrial-on-the-10-november-2023-2-pm-conviction-and-sentencing> some considerable processing of legal matters have taken place and the fullest extent of the mitigating circumstances is now evident as linked here:

I did not answer the question.

The State authorities have sabotaged the company to prevent it doing commercial business of Membership of a Political Party. I will have to change my strategy completely and work slowly through my websites to get support of those people who wish to be part of The Conservative Libertarian Society with its offshoot The Conservative Libertarian Party of the United Kingdom. I will not waste my time going for an official Petitions to the Petitions Committee of the House of Commons.

Hello Members!

Sabotage of the Development of the work of TCLS/TCLP-UK

Published: August 31, 2024

Banking support withdrawn by Stripe

Hello Members!

Since the idea for The Conservative Libertarian Society was born in the middle of 2021, the Founder Dr Shantanu Panigrahi faced almost continuous attempts to sabotage the progress of this organisation.

This evening, the 31 August 2024, we have survived without Stripe's banking support because the Company The Conservative Libertarian Publications Limited is registered with Companies House and pays taxes to the HMRC of the United Kingdom. This cannot be shifted without due legal process.

The vested interests that terrorised the Founder to put him off his stride were the Constitutional Monarchy in the United Kingdom, and they are beyond the law as the Courts and Parliament have no authority to challenge any of their decisions.

The Founder's conscience says that TCLS/TCLP-UK must remain steadfast with its agenda to bring about ameliorative changes to society in the country that he lives in and so we shall continue to encourage people to join us here as Members with donations through the button at the top left hand corner of the website.

For no one in his or her right mind would love the way the present Monarchial Establishment of the United Kingdom runs the country undemocratically from its secrecy of operations. The details for this have been uncovered by the Founder over a 26 year period of investigations that became necessitated from a bizarre event that he faced in a disciplinary matter while a scientist at the University of Greenwich and from where he was dismissed without having his defence considered. It was the Constitutional Monarchy that had engineered the Founder's downfall leading to him having no chance to restore his reputation in the Courts of the United Kingdom. Subsequently, the Founder was incarcerated in mental hospitals on two occasions for protesting against these injustices, and as his protests continued, offences were framed by the Police that led to 6 arrests so that it was only a matter of luck that he did not end up in a prison cell for offences that he was totally innocent of.

These experiences had to be put to one side and work had to be undertaken to try and topple the Monarchial Establishment and with official and legal dethronement and impeachment proceedings not being responded to by the State authorities, the author became a full Republican.

We will therefore survive to fight on and win people to our cause.

Criminal Conspiracy Charge: who does a victim turn to in the United Kingdom?

in General Discussion

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/criminal-conspiracy-charge-who-does-a-victim-turn-to-in-the-united-kingdom>

The truth has to be uncovered:

<https://www.knowledgeassessmentanddissemination.com/post/criminal-conspiracy-charge>

I know the truth: I am the victim who has assessed this manifestation of the Police State where the legal apparatus is engaged in deliberately covering up the Security Services adoption of criminal activities against an individual. There is no recourse to the law for the Courts do as they are told by the Constitutional Monarchy. The Constitutional Monarchy decided to have its cake and eat it also as there is an unending supply of cakes from the morons of the Police State who are slaves doing their jobsworth to earn their incomes to live meaningless lives and get holidays at home and abroad as well as spend time in the public houses drinking alcohol.

2. The response from the State authorities was through Khadija Tul Kubra in LinkedIn to which I replied adequately in explaining to her that the website that I maintain is of 'Hinduism.'

3. Accordingly, I updated this book in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'Clarification.'; drawing a line under the proceedings as nothing was happening. The response from the State authorities was evident in that the terror and injustices were all organised by the Constitutional Monarchy.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 8 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman
PO Box 6167
SLOUGH
SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday. Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months. Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

Updated this book in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: The Constitutional Monarchy had its cake and ate it but there is plentiful supply of cakes where it came from.'

At 22.00 pm hours, the JOIN IT account is still on air and functional on donations only as when I went through to the Stripe Account from Finance and Payout it took me to the Conservative Libertarian Publications Limited Account but when checking on its verification status the same old message was displayed, as follows:

What do you need help with? Select a topic or type your question below.

Your current verification status is:

The Conservative Libertarian Publications Limited

We can no longer support your business

After conducting a further review of your account we've determined that we will no longer be able to accept payments on your account moving forward.

You were notified of the reason why your account was closed via the email address that you have registered with Stripe.

If you believe that we've misunderstood or miscategorized your business and would like us to conduct another review of your account, please complete the form linked in the email that will direct you to your Stripe Dashboard to provide more information about your business.

If your business is on our Restricted Business list, it is unlikely we will be able to accept payments for you. We will not consider any illegal products or services. Visit the Restricted Business list FAQ for more information.

Stripe Support Prohibited and Restricted Business List - FAQs

Did this help solve your issue?

This is the proof that was needed that the Courts, Security Services and Regulatory bodies were taking orders from the Constitutional Monarchy in disposing off the functionality of The Conservative Libertarian Publications Limited, and thereby preventing TCLP-UK from taking an active role in pursuit of its democratic ideals by securing actual Membership of this Hindu religion-based Republican Party. Or so they think to fob me off. TCLP-UK can survive with donations only and make Membership free, do organise in a different way. Or we could look for a different Membership Website. All very complex going down that path. Let me wait and see. Evidently the State authorities did not wish the reality to come out in documented format this evening. Is that sustainable?

22.17 pm (UK-Time) 2 September 2024

Whatever happens I will not change anything that I have done so far in the creation of the JOIN IT party and getting the Stripe communications under my belt for it cannot dissociate itself completely from JOIN IT Account. It has kept me on 'hold' or Restricted Business, so until it is totally closed down and with it the Membership Website I will ignore its communications to me from now on having already set out clearly that what powers that be have done amounts to criminal conspiracy and accordingly charges have been filed in the Magistrates Court and elsewhere this evening.

Updated this book in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'The crux of the matter approaching on this Tuesday morning'.

All done; all sources of interference covered; what is the Constitutional Monarchy going to order today, ahead of my psychiatric appointment with Dr Emanuell Oranusi at 11.30 am tomorrow, the 4 of September 2024 is going to decide my Fate and the future of what I have created and published in considerable detail over the internet. My email was addressed to Stripe and it should reply.

State-persecutor sends Dr Shantanu Panigrahi a criminal anonymous email

in General Discussion

For the persecutor who sent me a criminal anonymous email yesterday evening at around 8.30 pm (UK-Time) that I deleted from my Gmail inbox, all mail and Bin folders, I would ask you to try again with better chance of success; for I have succeeded in disposing off the criminal proceedings against me with the linked correspondence: Disposal of criminal proceedings (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/disposal-of-criminal-proceedings> .

I have no bail currently imposed on me by Kent Police with the disposal of its revived attempt to manipulate proceedings accordingly, and equally, I have no Summons Referral to Medway Magistrates Court outstanding for 10 November 2023, 2 pm Trial Hearing

All future correspondence on this matter should be sent to Olives Solicitors at info@olivessolicitors.com who are my legal representatives in this matter.

Winter fuel payments due to be stripped from millions of pensioners by the Starmer government:

<https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/winter-fuel-payments-due-to-be-stripped-from-millions-of-pensioners-by-the-starmer-government>

TCLP-UK considers this to be a shocking move that attacks the welfare of pensioners struggling to make ends meet. Starmer appears to be more right wing than the Sunak government under the Conservatives.

"Poole MP Neil Duncan-Jordan has tabled a Commons motion calling on the Government to delay its plan, becoming the first Labour parliamentarian to break ranks and publicly demand that the Prime Minister rethinks the move."

 Sorry!

I thought the following Update:

At 10.51 am the Mobile Phone rang from a Spam caller dialling from 0800 090 3051.

My thoughts are that the State has acknowledged that this is the end of the saga. No harm done.

Truth accommodated, nonchalantly, spontaneously and unpremeditatedly on free flow of activities that all is now well as it has ended well.

I will certainly terminate the saga here for the matter is acknowledged as being in the Court of Appeal under CA-2023-000750 by his Spam call.

Update:

At 14.02 the Mobile Phone rang from a Spam caller dialling from 0800 090 3051, there was a Voicemail and Text message and it turned out to be the Power of Attorney legal firm who had phoned this morning but had not left a message. I deleted the full text conversation and blocked the number to stop the person dialling again. He was used by the State to follow orders to send message/terrorise me.

At 15.05 pm the Mobile Phone rang from a Spam caller dialling from 0118 230 3412.

At 16.57 the Mobile Phone rang from a Spam caller dialling from 07900 971450.

At 17.09 pm the Mobile Phone rang from a Spam caller dialling from 0118 230 3416.

17.27 pm (UK-Time) 10 August 2023

Update:

It is 06.06 pm (UK-Time) and the Court of Appeal has not sent me a reply directly. I cannot send the Court or any other party an email of enquiry. As things stand Master Bancroft-Rimmer of the Court of Appeal discriminated against me on behalf of the Court and by extension the State by not clarifying the state of play even if the Court is rejecting what I submitted by way of jurisdiction to hear the Case. This could yet come but is highly unlikely given the Police State of the United Kingdom.

All these Spam calls were prompting me to make a move through email which I will not. I can Defend now if Kent Police charge me with any offences with the 'TO WHOM IT MAY CONCERN' blogged email that lists all the significant parties who terrorised me by obstructing justice and perverting the course of justice: CA-2023-000750 PROCEEDINGS PENDING AT THE COURT OF APPEAL (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/ca-2023-000750-proceedings-pending-at-the-court-of-appeal>

If I make another proactive move we will lose the roof over our heads finally as the State cannot let me win a litigation with the Prime Minister in it, let alone all the other State stalwarths and I could be directed to a Pre-Trial Hearing with a view to sending me to prison which was always the plan of the State with the five arrests and 6th coerced interview and the seizure of our computer devices and associated material under false pretences. It is therefore the best position to be in now and the State knows that. Defending costs me nothing financially. I will have to be summoned to court afresh with charges.

So I am free now still with my liberty in tact.
